

**Smoke & Tobacco-Free Recreational Policy
Town of Deer Isle**

In an effort to promote the health and safety of the Town of Deer Isle residents and visitors, the Selectmen have established that all municipal recreational properties will be Smoke & Tobacco-Free areas.

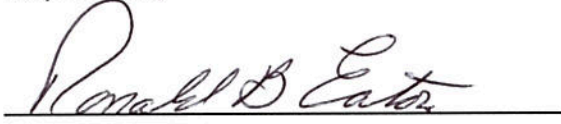

All recreational properties in the Town of Deer Isle are to be Smoke & Tobacco-Free areas, 24 hours a day - 365 days a year, that specifically prohibit the use of any tobacco and marijuana products, including but not limited to: cigarettes, cigars, joints, spliffs, (spit and smokeless tobacco, chew, snuff, snus,) vaping devices, Juuls, and other ENDS (electronic nicotine delivery system) products, such as e-cigarettes.

The Town of Deer Isle is authorized to take reasonable steps, including signage and other communication tools to achieve compliance with the tobacco-free zones established hereunder.

This Amendment is adopted on August 9, 2018.
